About this consumer guide

The Kentucky Office of Insurance offers this consumer guide providing detailed comparison of rates that insurance companies charge for Medicare supplement, also referred to as Medigap, coverage in Kentucky.

The office appreciates the insurance companies that provided rates for this publication. This guide allows us to provide valuable rate comparisons for all consumers.

We plan to update the rate comparisons throughout the year. In the limited instances where companies did not respond or provide the requested rate information or could not provide the information by ZIP code, those companies do not have their rates listed in this guide.

Disclaimer: The Kentucky Office of Insurance compiled this information from rates quoted by the companies. The companies are responsible for accuracy. Please be aware that rates are subject to change. You may consider contacting the company or a local insurance agent to verify rates. You can get the most up-to-date rates by going online at:

Tips for purchasing Medicare supplement insurance

- It is illegal for insurers to sell a consumer more than one Medicare supplement policy.
- When replacing your existing policy, do not cancel the old one until the new one is in force. Be sure to state in the application that you wish to replace your old policy.
- Answer all health questions accurately.
- Remember that you have a 30-day “free look” period during which you can return the policy for a full refund.
- Never pay in cash. When purchasing a policy, make the check payable to the insurance company.
- Policies sold after 1992 are standardized. This means a Plan F from one company will have the same benefits as a Plan F from another company. Policies issued prior to 1992 may differ somewhat from company to company.

How to use this guide

The most valuable part of this guide is the list of Medicare supplement rates charged by insurance companies doing business in Kentucky.

As you begin searching for company choices, it is important to recognize that some companies offer this insurance throughout Kentucky and other companies offer plans only in certain areas of the state.

Decide what type of plan you want. You have the choice of standardized Medicare supplement plans listed as Plans A-L, including two high-deductible Plans F and J (*see Chart of standardized Medigap plans*).

For helpful information related to this decision, please refer to the *Guide to Health Insurance for People with Medicare: Choosing A Medigap Policy*, a publication from the Centers for Medicare and Medicaid Services (CMS). This guide is available from the Office of Insurance by calling 800-595-6053, TTY users 800-462-2081, or on the CMS Web site: www.medicare.gov.

Once you narrow down the companies offering the best plans and rates in your area, call the companies directly for more information or contact a local insurance agent. We have included contact information and a phone number for each company.

Medicare Advantage plans available in Kentucky

Medicare Advantage Plans are health plan options that are available through Part C of the Medicare program. If you join one of these plans, you generally obtain all of your Medicare-covered health care through that plan, rather than Medicare. This coverage may include prescription drug coverage. Medicare Advantage Plans include: Health Maintenance Organizations (HMO), Preferred Provider Organization (PPO), Fee-for-Service (FFS) plans, Medical Savings Account (MSA) plans or Medicare Special Needs plans. These plans are regulated by the federal government.

When you join a Medicare Advantage Plan, you use your health insurance card as proof of insurance to obtain your health care benefits. You may have to see doctors who belong to the plan or go to certain hospitals to get services.

To join a Medicare Advantage Plan, you must have Medicare Part A and Part B. You will still be required to pay your monthly Medicare Part B premium. You also might have to pay a monthly premium to your Medicare Advantage Plan.

If you join a Medicare Advantage Plan, you cannot use your Medigap policy. This means your Medigap policy won't pay any deductibles, co-insurance, or other cost-sharing under your Medicare Health Plan. Therefore, you may want to drop your Medigap policy if you join a Medicare Advantage Plan. However, you have a legal right to keep the Medigap policy.

For more updated information about Medicare Advantage plans and where these plans are offered, call 1-800-MEDICARE (1-800-633-4227) or go to the www.medicare.gov Web site.

Medicare prescription drug plans

The Medicare Prescription Drug, Improvement, and Modernization Act of 2003 added a new prescription drug program to Medicare, which became available to Medicare beneficiaries in 2006. All people with Medicare are eligible to enroll in plans that cover prescription drugs.

You have a seven month enrollment period in which to enroll in Medicare Part D, beginning three months prior to becoming eligible for Medicare. If you do not sign up when you are first eligible, you may pay a penalty if you sign up at a later date. In some situations, you can delay enrolling in Medicare Part D without having to pay a penalty. If you delay enrollment because you had prior creditable coverage and that plan terminates, then you would be permitted a special enrollment period. However, you should act promptly. An example of creditable coverage would be if you have group health coverage through your employer that provides prescription coverage as good as or better than Part D. A few other circumstances would also allow you to enroll outside the enrollment window, such as being covered by Medicaid, qualifying for extra help, or if you are in a nursing home. Call 1-800-Medicare for more information.

Extra help is available for people with low incomes and limited assets. Most significantly, people with Medicare who have incomes and assets below a certain level may qualify. If you qualify, a portion or all of your Part D premiums will be paid for you. You may even qualify for a better benefit. Call your local Social Security Office for more information.

There will be an annual open enrollment period every year to enroll or change plans in Medicare Part D. This period will be from Nov. 15 to Dec. 31 with coverage beginning on Jan. 1.

Obtaining prescription drug coverage

In addition to enrolling in a Part D or Medicare Advantage plan, some people obtain prescription drug coverage through their employer or TRICARE, a program of the Department of Defense.

Formulary

When choosing a Part D plan, it is important to make sure your prescription drugs are covered since not all drugs are covered by each plan. Each plan develops its own list of covered drugs, called a formulary, which must include more than one drug in each classification.

Questions about Medicare?

For the latest information about Medicare, visit www.medicare.gov or call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. To get a copy of this information in Spanish, call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You can also obtain assistance by calling the SHIP program at 1-877-293-7447.

Some people under the age of 65 are eligible for Medicare supplement insurance due to disability or other conditions. Rate information for those under age 65 is available online at <http://doi.ppr.ky.gov/kentucky/>
Call the Office of Insurance at 800-595-6053 for more information.

How to read the chart: If a check mark appears in the column, the Medigap policy covers that benefit up to **100%** of the Medicare-approved amount. If a column lists a percentage, the Medigap policy covers that benefit at that percentage rate of the Medicare-approved amount. If no percentage appears or if the column is blank, the Medigap policy **doesn't** cover that benefit. **Note:** The coverage of coinsurance only begins after you have paid the deductible. Policies sold after 1992 are standardized. This means a Plan F from one company has the same benefits as a Plan F from another company.

*Medigap Plans F and J also offer a high-deductible option. You must pay the first \$1,860 (deductible in 2007) in Medigap-covered costs before the Medigap policy pays anything. You must also pay a separate deductible for foreign travel emergency (\$250 per year).

**After you meet your out-of-pocket yearly limit and your \$131 yearly Part B deductible, the plan pays 100% of covered services for the rest of the calendar year.

Explanation of Medigap Benefits

Part A Inpatient Hospital Deductible: This amount may change annually, but must be paid at the time of the first admission during a benefit period. The amount for 2007 is \$992.

Part A Skilled Nursing Facility Coinsurance: For the first 20 days Medicare pays in full. During days 21-100, there is a \$124 per day co-payment that must be paid by the patient.

Part B Deductible: This is an annual payment that the patient must pay prior to receiving benefits offered by Part B. It is currently \$131.

Foreign Travel Emergency: This benefit pays for emergency care outside the United States beginning the first 60 days of each trip. There is a \$250 deductible, then the benefit pays 80 percent of the cost, up to \$50,000 in your lifetime.

At-Home Recovery: This provides coverage for at-home help with activities of daily living, such as bathing, dressing, eating, etc., in addition to Medicare-covered home health visits. This benefit covers home health care for up to eight weeks after skilled care is no longer needed, up to \$1,600 each year.

Part B Excess Charges: This provides coverage for Part B excess charges when the physician fees are more than Medicare will pay. Physicians who accept assignment will not charge more.

Preventive Care: This benefit provides coverage of up to \$120 per year for preventive care services.

Prescription Drugs: Standardized Medicare supplement policies can no longer provide coverage for prescription drugs.

Frequently asked questions

Q: What is Medicare supplement insurance?

A: This product is sold by private insurance companies to help fill the gaps in Medicare coverage. Medicare is provided by the federal government. All of the information in this guide relates to the supplemental policies sold by private insurance companies.

Q: What is Medicare SELECT?

A: This is one type of Medicare supplement plan where you can choose from Plans A through L but you agree to use a restricted network of participating providers to get your full benefits. The exception to using this network is in an emergency for covered services.

Q: How can I obtain information about where Medicare Advantage plans are offered?

A: Go to www.Medicare.gov for more information about this plan or call 1-800-MEDICARE (1-800-633-4227).

Q: What do you think of Medicare Advantage plans? Should I enroll in one?

A: This Office cannot offer opinions or rate HMOs or insurance companies. Consider your needs and what's best for your health when making this decision. Medicare Advantage plans are regulated by the Centers for Medicare and Medicaid Services (CMS). Medicare Advantage plans typically offer HMO, PPO or FFS plans.

Q: Which Medicare supplement policy is best? Do you rate them?

A: By law, the Kentucky Office of Insurance cannot rate policies. However, *A.M. Best Company* does provide financial rating information. The A.M. Best ratings are found at many public libraries and may be accessible by your insurance agent. You can do a ratings search through its Web site, www.ambest.com. This information can also be obtained by calling the Office of Insurance.

Q: Why are my choices limited to specific companies and certain plans?

A: Private insurance companies have made business decisions regarding where to offer coverage. These areas of coverage are decided by county or ZIP code. Regarding the choice of plans, insurers must offer Plan A, but all others are optional.

Q: What is the TRICARE for Life program for military retirees?

A: TRICARE for Life is a program for Medicare-eligible, uniformed services beneficiaries, age 65 and older, that acts as a second payer to Medicare. Eligible individuals must be enrolled in Medicare Part A and Part B and have a current U.S. Uniformed Services ID card. The program has no annual premium, and pays all Medicare co-payments and deductibles. In addition, the TRICARE Senior Pharmacy program provides coverage not available under Medicare. For more detailed information call toll free 1-888-DOD-LIFE (1-888-363-5433) or the regional number 1-866-773-0404 or visit www.tricare.osd.mil/tfl/.

Some providers may not file claims on Medicare supplement insurance. It is your responsibility to make sure claims are filed.

Some terms to know

Cost Sharing - This indicates what portion of the charge is covered by Medicare, a Medicare supplement or the amount paid by the consumer.

Formulary - This is a list of certain kinds of prescription drugs that a Medicare drug plan will cover, subject to limits and conditions.

Medicare - This is a federal insurance program for people age 65 and older, certain disabled people under 65, and certain people with permanent kidney failure.

Medicare Advantage - These plans receive a prepaid monthly sum from the federal government to provide care. The benefits include services available under Medicare. The insurance company or HMO will provide all your benefits instead of Medicare. Medicare Advantage typically offers a HMO, PPO or FFS plan.

Medicare Health Maintenance Organization (HMO) - In a Medicare HMO plan, you receive benefits from an insurance company, not from Medicare. These plans do not provide standardized Medicare supplement coverage. Enrollees must use a restricted provider network within the health plan. Many of these plans provide additional benefits such as prescription drugs, vision, dental and hearing care. These plans are regulated by the Centers for Medicare and Medicaid Services, not the Kentucky Office of Insurance.

Medicare Preferred Provider Organization (PPO) - Medicare Advantage plan choices have expanded to include regional PPO plans. Regional PPOs offer more choices for Medicare health coverage. PPOs can help you save money by choosing from doctors and providers on a plan's "preferred" list, but usually don't require you to get a referral.

Medicare Fee-for-Service (FFS) - This is a health care plan offered by private insurance companies. The insurance company, rather than the Medicare program, decides how much it pays and how much you pay for the services you receive. These plans typically do not restrict you to a provider network.

Medicare Supplement Insurance - This is also known as Medigap. This insurance pays for coverage not provided by Medicare. Medicare supplement insurance is not a duplication of Medicare and may pay part of the deductibles, co-insurance, services and expenses not covered by Medicare.

Medicare SELECT - These are standardized Medicare supplement plans with restricted provider networks. You must go to a participating provider network, except in emergency situations.

Open Enrollment - This is a six-month period following enrollment in Medicare Part B. If you are covered by your employer's health coverage and turn 65, your enrollment in Medicare Part B can be delayed until you retire. Keep in mind that if you are covered by a small employer group of less than 20 employees, Medicare is primary and would pay benefits before your employer plan would. If you have a small group employer plan be sure that it will cover what Medicare would have covered if you do not enroll in Part B.

Choosing your plan

Now that you have a list of available companies, consider the following to narrow down your choices:

What plan(s) am I interested in? *Mark all that apply.*

Plan A ☐

Plan B ☐

Plan C ☐

Plan D ☐

Plan E ☐

Plan F ☐

Plan G ☐

Plan H ☐

Plan I ☐

Plan J ☐

Plan K ☐

Plan L ☐

High deductible F ☐

High deductible J ☐

To assist you in selecting the plan most suitable for your situation, refer to the *Chart of standardized Medigap plans* (page 5) in this book.

Understanding the company charts: The following questions and answers explain terms used in the company listings:

What rating method does each company use?

Companies have three different ways of determining a price for your policy based on age. Rates may also vary by gender, area where you live or whether you smoke.

Community rating (also called *no age rating*): The premium is the same for all customers who buy this policy, regardless of age. A few companies offer discounts if you apply within the first few years after turning 65.

Issue age: Premiums are calculated based on your age at the time of purchase. Premiums may increase because of health care inflation or claims experience, but not because you get older.

Attained age: Your initial premium is based on your age at the time of purchase. However, as you get older, your premiums will automatically increase. Remember, any of these methods will probably cause rates to rise over time due to health care inflation and claims experience. Increases must be approved by the Office of Insurance, with the exception of the automatic age-related rate increase in attained age policies.

My preference: Community/No age ☐ Issue ☐ Attained ☐

Which companies offer discounts?

Companies may offer discounts for nonsmokers, members of military groups, automatic bank draft or electronic fund transfer payments, etc. Be sure to factor in those that apply to your situation.

Discounts I would qualify for: _____

Is the policy guaranteed issue or underwritten?

If a policy is guaranteed issue, this means you cannot be turned down. Underwritten means a company will consider your medical history in determining whether or not to issue a policy to you. The separate Medicare guide provides more details, if needed, about guaranteed issue.

My preference, if applicable: Guaranteed issue ☐ Underwritten ☐

What is the company's marketing approach?

Some companies sell directly to the consumer (direct mail) while others sell through a network of agents. In most cases, you will want to contact the company for more information.

My preference: Agent ☐ Direct Mail ☐

What about pre-existing condition exclusions?

Again, review the Medicare material to see if this applies to you. In the company listings at the back of this booklet, companies have noted how they handle pre-existing conditions.

Will this affect my decision? Yes ☐ No ☐

Did the company list notes of interest?

If any of these will be significant in your decision, please list the company and the note below for your reference.

Company _____ Note to remember _____

Company _____ Note to remember _____

Company _____ Note to remember _____

By now, you should have narrowed down your list of companies, based on the specifics of the listings and your personal needs. It's time to start looking at prices. In the first column, list the companies that offer the standardized plan and other factors that meet your needs. (Be sure you are comparing the same plan.) In the second column, list the premium cost. Take into consideration the rating method used by each company when comparing premiums.

The Office of Insurance Web site has a company search at <http://doi.ppr.ky.gov/kentucky/>. Look for **Medicare Supplement Search**. Entering information such as age, gender and ZIP code prefix will result in a list of companies from which you can purchase a Medicare supplement insurance policy.

If you still have questions, contact the companies directly at the numbers listed at the end of this book or contact a local insurance agent.

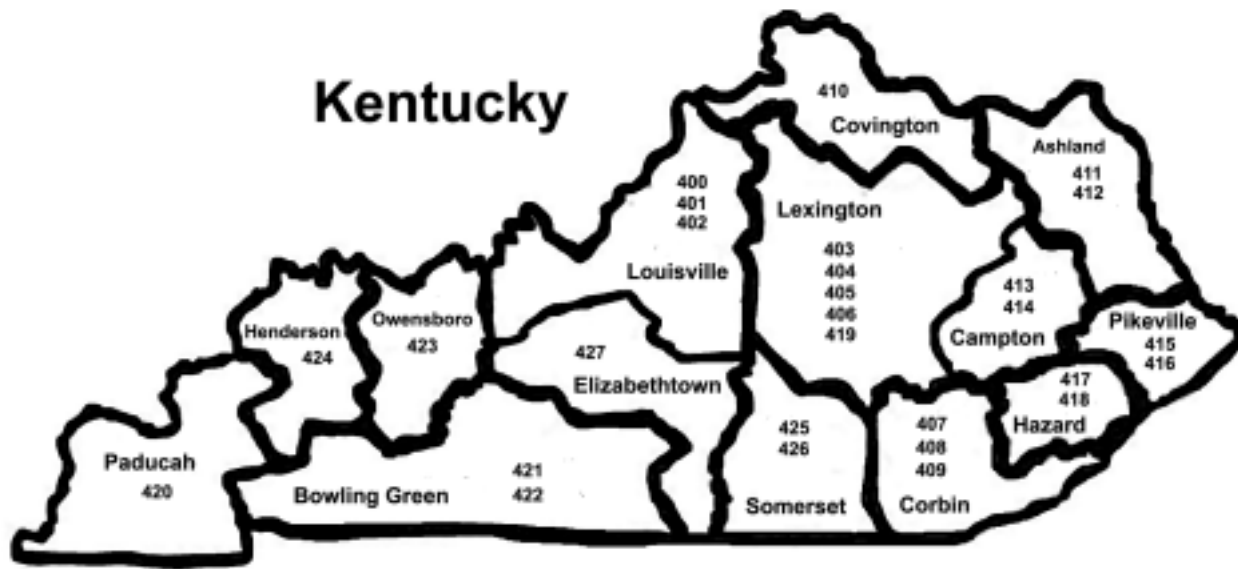

These rates may change before the next printing of this guide. The most up-to-date rates are available online at <http://doi.ppr.ky.gov/kentucky/>

The following companies do not provide rates by ZIP code and are not listed in this guide:

State Farm Mutual Automobile Insurance Company
Sterling Life Insurance Company

The following companies do not use a rating structure compatible with our database so we are unable to list the rates:

Constitution Life Insurance Company
Humana of Kentucky
Marquette National Life Insurance Company

How to use the premium charts

1. Determine your ZIP code. For this guide, only the first three digits of your ZIP code will be listed. For example, if your ZIP code is 40601, the ZIP code listed in this guide will be 406.
2. Determine the ID number for your 3-digit ZIP code.
3. Choose your Plan (A thru L). Look for the rate that falls into your category such as male/female, smoker/nonsmoker, age, etc. Some companies charge the same rate for a smoker as a nonsmoker. N/A will be listed under the smoker heading when rates are the same for both smoker or nonsmoker.
4. Only three ages are listed in this guide. More detailed premium information is available on our Web site at <http://doi.ppr.ky.gov/kentucky/>
5. Please see the back of this book for the insurers' addresses and telephone numbers.

Remember, **annual** premiums are listed. All rates are effective at time of printing: May 2007
